Brief Overview of Course

This module will provide a simple introduction to the topic; not everything can be covered and attending a full training event is recommended to get a complete understanding. We therefore recommend our Budget & Precept course be attended after completing this module. Dates for the course can be found on the 2023 Training Calendar. This course would be however excellent preparation before attending.

In this course you will learn

- What a precept is and how a Parish Council receives it
- What a Parish Council needs to do in preparation for setting it
- How a Parish Council can justify the money it seeks
- Who should be consulted.

This course takes 35 minutes to complete.

To Book: Complete the standard EALC booking form and send to **training@ealc.gov.uk** who will then register you with Nimble. Once processed you will receive joining instructions and your Council will then be issued with an invoice.
